### Maimonides Mitzvah Index

P = positive; N = negative; L = land

\* = Maimonides' *mitzvot* that are obsolete & not referenced by a Rudolph *Mitzvah* in this compendium. There are *mitzvot* listed below that are obsolete (or partially obsolete), but which are, nevertheless, referenced by a *Mitzvah* in this compendium; these are not marked by an asterisk because they are utilized.

The *mitzvot* compiled by the Classical Commentators were for the ancient nation of Israel that had at its disposal everything it needed to comply with each of them literally. Not only that, but for the Israelites who lived back then, every *mitzvah* given to Moses made sense because it met some need within their community. Today, however, things are very different. The Messiah has come and has become our sacrifice for sin, there is no Holy Tabernacle or Temple where sacrifices are conducted, there is no functioning Levitical priesthood, we live under secular governments, and we have advanced in science and technology in ways that preclude the need for certain precautions that were important for the Israelites.
