

Appendix I
Scriptures Cited by Three Classical Commentators
Arranged According to Weekly *Parashiyot*
(Hebrew Versification)

This chart lists the Scriptures quoted by HaChinuch, Moses Maimonides (the *RAMBAM*), and Yisrael Meir HaKohen (the *Chafetz Chayim*) in the order of the weekly *parashah*.

Abbreviations

- “C” precedes a Chinuch *mitzvah* number.
- “R” precedes a Maimonides (Rambam) *mitzvah* number.
- “M” precedes a Meir *mitzvah* number.
- “P” denotes a positive *mitzvah*.
- “N” denotes a negative *mitzvah*.
- “L” denotes a *mitzvah* deemed by Meir to apply only in the Land of Israel.

Scripture chapters & verses in this chart are numbered according to the *Tanakh* (Hebrew) system; Standard English versification is in parenthesis wherever there is a difference.

Special Notes:

1. HaChinuch’s C487 (not to offer up the *pesach* on a private provisional altar [De16:5]) has no Maimonides or Meir *mitzvah* counterpart.
2. Maimonides’ RN149 (*zar* not to eat most holy offerings [Ex19:33]) has no Chinuch or Meir *mitzvah* counterpart.
3. HaChinuch’s C514 has no *Torah* Scripture reference (only Job5:23 and *Talmudic* sources are referenced).
4. HaChinuch’s C334 (not to harvest self-growing produce in the Jubilee year) has no Scripture reference.
5. Meir’s MN119 has 2 Maimonides *mitzvah* counterparts – RN334 and RN335.
6. Maimonides’ reference to Ze1:8 in his RN30 is not included in this listing because it is not part of a *parashah*.
